

FLORY 33 SERIES

SWEEPER

QUALITY SINCE 1936

FLORY'S 33 SERIES SWEEPER OFFERS THE BEST IN OPERATOR COMFORT AND VISIBILITY. With FLORY's proven sturdy 5 bar head and "Align-Mount" reel you can expect better bearing and reel life. This along with our rear Trunnion mount rear axle provides a flexible chassis for difficult conditions.

To get to that next job quickly and efficiently a road speed of 14 mph will do it without the need of a trailer.

Large tires offer the best flotation across loose soils and an optional 4-wheel drive handles any sandy or hilly conditions with ease.
