180° FIELD ELEVATOR

QUALITY SINCE 1936

INTRODUCING THE ALL-NEW FLORY 3690 ELEVATOR

Offering more flexibility while retaining our legendary reliability. We provide high capacity with no damage to the product and more time saving features than ever before.

A powered drive wheel with a large flotation tire and smooth steering helps position the 3690 where you need it

SEE MORE AT GOFLORY.COM

Built with flexibility and durability in mind the **3690** Elevator will get your job done quickly and efficiently

FLORY 3690

The swivel uses a hydraulic motor and worm gear to provide a smooth motion

SEE MORE AT GOFLORY.COM

Adjustable output hood and 180° swivel allows you to put the product right where you want it the first time.

QUALITY SINCE 1936
